## A Key Strap decorated with Rub-on Stickers

Decorate a key strap with rub-on stickers and always have your keys at hand. Rub-on stickers stick on fabric, enabling you to personalize your key strap.

Cut your chosen design away from the sheet, remove the protective paper from the back and rub the rub-on design onto the fabric with the supplied wooden stick.

Now carefully remove the protective top foil layer.

Keyhanger, L: 53 cm, W: 2 cm, White, 1 pc 474010
