

## A Garland from LED Lights with Nutcracker Jumping Jacks and Bells

STEP BY STEP 1 2 3  
Inspiration: 15413

Assemble the jumping jacks with the supplied clips as shown on the packaging. Make a hole at the top of each figure with a screw punch or similar.

Tie jumping jacks and other decorative card cut-outs onto the LED lights using gold thread.

Tie the bells onto the LED lights with bows using decorative ribbon.
