

## Woven Christmas Heart Baskets from natural and gold coloured Faux Leather Paper

Make these lovely woven Christmas heart baskets from natural and gold faux leather paper.

Print the templates which are available as a separate PDF file on this page. Cut out two Christmas heart basket parts from different colours/designs of faux leather paper using the template.

Cut a strip of faux leather paper for the handle and attach it onto the inside of the woven heart basket using a glue gun.

Weave the Christmas heart basket.
