A crocheted Dishcloth in a Ribbing Style Pattern

This crocheted dishcloth in a ribbing style pattern measures 20 x 20 cm. We have used cotton yarn 8/4 on No. 3 crochet hook. Crocheting dishcloths is a manageable project and good for the environment.

Crochet pattern

Wash the dishcloths before use at 40°C.

A tip!

In order for the dishcloths to keep the colours from fading, you may soak them in cold water adding a small amount of white vinegar. This should also improve their absorbency.
