

Silk Clay Finger Puppets

STEP BY STEP 1 2 3
Inspiration: 925

Silk Clay is a fun and very light modeling compound for all ages (except very young children who might put the modelling clay in their mouth). It can be used for other projects than finger puppets and is self-drying.

Silk Clay Finger Puppets

Find inspiration to make some lovely Silk Clay finger puppets. Shape figures from Silk Clay and attach your chosen details, for example wiggly eyes using Glue Dots.
