## A Knight's Cape - Role Playing

Make a cape for the crusading knight, Arthur's knights of the round table or with your very own symbol. Made in felt with a glued on symbol.

01 Cut the felt to the desired length (measure from the shoulder down to the knee).

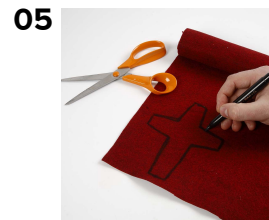

02 Fold the felt two times over the middle to establish where the neck opening should be.

03 Cut out a hole for the neck

04 Cut a slit in the neck opening approx. 6-12cm.

05 Now draw and cut out your desired symbol on the felt in a different colour.

06 Brush the symbol with hobby glue and glue it onto the middle of the knight's cape.

07 The finished knight's cape made for a crusader.
