

Magnetic creatures for the fridge

STEP BY STEP 023

Inspiration: 11346

01

First draw then burn a design on a large wood button.

02

Glue on fur for hair.

Varianter

03

Use flexible cord for arms and legs. Glue onto the back.

04

Glue 3-4 magnets onto the back.

05

Use small buttons to glue on as hands and feet.

06

And done! ☐ One troll for the fridge. ☐

## Magnetic creatures for the fridge

Cool and simple fridge magnets made from wood buttons with magnets. Flexible rope and wood is added and a Pyrography tool is used for decorating the wood buttons. You can attach magnets under the creature's body, hands and feet etc.
