

Eggs made from Color Bar Card

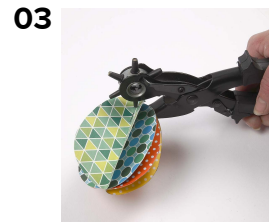

STEP BY STEP 01 02 03
Inspiration: 12210

01 Draw the eggs onto Colorbar card using the template. Cut out three or four eggs.

02 Fold the egg in the middle (horizontally) and staple all four eggs together with a stapler along the fold in the middle.

03 Make a hole with a hole punch and insert a piece of coloured elastic beading cord through the hole for hanging.
