**Colourful Cards – Life's
Celebrations**

The Color Bar papers are folded in an exciting way and used as an invitation and as decoration on a card. The cards are then decorated with rhinestones.

01
Cut the folding cards into squares from Color Bar paper. Invitation: 21 x 21cm. Menu: 10 x 10cm. Place cards: 5 x 5cm. Fold the paper in the middle in both directions and diagonally using a bone folder or a blunt needle.

02
Now fold the paper into quarters. Fold the diagonal opposite the other folds. □ □

03
Cut a square for the invitation measuring 8.5 x 8.5cm from a piece of card. Attach this piece onto the card using double-sided adhesive tape.

04
Print a photo and attach this to the card.

05
Attach self-adhesive rhinestones.

06
Print the invitation and a gift list. Attach these on the inside of the card.

07
Cut two pieces of card 10 x 10cm and 5 x 5cm for menu and place cards respectively. Fold and decorate these using the same technique. Attach the small folding cards onto the cards using double-sided adhesive tape.
