## Silk Clay Sculptures on a Stand

Small lumps of Silk Clay are modeled around a Bonsai Wire frame. The surface has been rubbed with Art Metal Paint and the sculpture has been pushed into a stackable candle holder with Silk Clay.

**01**  
Cut a piece of Bonsai Wire measuring approx. ½ meter in length.

**02**  
Shape the Bonsai Wire.

**03**  
Push small pieces of Silk Clay onto the wire.

**04**  
Push a lump of Silk Clay into the candle holder stand.

**05**  
Push the sculpture into the candle holder stand.

**06**  
Paint the sculpture and the stand with a flat foam brush.
