Pixies made from Compressed Cotton Balls

The small pixies are made from compressed cotton balls. They are painted with Plus Color Craft paint and decorated with wiggle eyes, felt and Silk Clay modeling clay.

01 Paint compressed cotton balls with Plus Color craft paint. Glue the body onto a Silk Clay "stand".

02 Paint a compressed cotton head with Plus Color craft paint. Attach wiggle eyes with Clear Multi glue gel. Make thin lines with a Top Grade pen.

03 Glue the head onto the body using a glue gun.

04 Shape hair from Silk Clay.

05 Cut out felt for a hat and scarf and glue these onto the pixie with a glue gun or Clear Multi glue gel.
