Fun decorated lamps

These rice paper lamps are decorated with tissue paper which is punched out on the Big Shot machine and assembled with brads.

01 Double over several sheets of tissue paper and place them so they fit the size of the Big Shot machine. Punch out all the flowers.

02 Assemble the flowers with a brad. You will need approx. 25 flowers per lamp.

03 Glue the flowers onto the rice paper lamp with a glue gun.

04 Cut crepe paper streamers to length and tie them onto to bottom of the lamp.
