

A luminescent Mask for Halloween

STEP BY STEP 023
Inspiration: 13846

01 Apply three or four coats of the luminescent paint, "Glow in the Dark". Leave it to dry.

02 Draw the details on the mask with a pencil first. Use Plus Color craft paint for the large areas on the mask.

03 Use a black Uni Posca Marker for the small areas on the mask.

A luminescent Mask for Halloween

This mask is made luminescent by applying three or four coats of the luminescent paint, "Glow in the Dark". The black details are painted as well as drawn onto the mask using Plus Color craft paint and a Uni Posca Marker.
