A Mobile with crocheted Animals

These crocheted animals are attached to a metal hanger with crocheted strings (decorated with beads) for hanging.

01
Crochet four (4) 30-35cm strings with chain stitches. Tie all four (4) strings tightly onto each loop on the metal hanger and trim.

02
Thread all four (4) strings through the same bead and gather them in a loop around the metal hanger's hook. Hide the joint at the loop with a piece of yarn by twisting it around a couple of times, securing and trimming it. Push the bead up to cover the joint.

03
Crochet strings with chain stitches to the desired lengths. Sew one end of one string onto a crocheted animal and tie the other end onto the metal hanger. Trim.
