## Two-piece transparent Hanging Decoration with Drawing & Glitter

These two-piece transparent plastic hanging decorations (baubles and hearts) are decorated on the inside with glitter on one of the two halves. They are each assembled with a drawing inside which is made on the supplied piece of card.

Open up the two-piece hanging decoration. Apply a coat of glue lacquer to the part with the inside ridge.

Sprinkle glitter onto the wet glue and distribute it evenly. Pour out excess glitter.

Decorate the piece of card which is supplied with the bauble with markers, according to your imagination.

Place the card with the drawing on the inside ridge in the half which is decorated with glitter. Assemble the bauble.

Attach a ribbon to the assembled loop through the decorative metal hanger at the top – up through each side of the loop.
