## A Christmas Bauble with red and white Decoupage

These baubles in a silver thread are covered with Vivi Gade decoupage paper (the Copenhagen series).

Cut a piece of decoupage paper measuring approx. 19.5 x 10 cm. Cut 3 cm long notches at the top and the bottom along the width of the paper. (NB: Notches are made for the paper to be attached evenly around the bauble.

Apply decoupage lacquer with a brush around the bauble (like a waist band) and attach the paper.

Repeat at the opposite end and leave the bauble to dry.

Cut away the tip of the points along the width that you want attached nearest the collar of the bauble.

Apply decoupage lacquer to the rest of the bauble at the top. Use the brush to bend the paper points evenly close to the collar of the bauble.

Apply a coat of decoupage lacquer all over the bauble and leave it to dry.
