A turquoise Invitation and Table Decorations for a Confirmation Party

The invitation, place card and the manilla tag are made from card in matching shades. White textured paper with printed text is attached to the card and decorated further with sequins, card stickers, ribbon and Masking Tape. All from Happy Moments.

For the front and the inside of the invitation and the place card, print text on white textured paper. Trim accordingly.

Glue on the text and additional decorations with a glue stick. Attach a Masking Tape border.

Glue sequins onto the manilla tag and a self-adhesive rhinestone onto the sequins. Tie a ribbon onto the manilla tag and then around a folded napkin.
