Gift wrapping decorated with a Rosette made from Paper Star Strips

This present is wrapped in wrapping paper and decorated on top with a large rosette which is made from 10 paper star strips.

Trim 10 paper star strips (Width: 15 mm are used in this example) to different lengths with 1 cm difference (shortest = 26 cm, longest = 35 cm).

Twist each paper star strip into the shape of a number 8 and glue. (Study the photo carefully).

Glue all the figure eights together staggered on top of each other with the largest at the bottom and the smallest at the top.

The rosette is taking shape ...

Wrap the present in wrapping paper and glue the rosette on top.
