Unicorn Papier-mâché Boxes with Foam Clay Decoration

A unicorn box for storing small items or as a pencil holder. A round box is used and is decorated with a horn and ears modelled from Foam Clay. It is decorated further with craft paint and sequins.

Model the horn and ears and press them gently directly onto the box. Foam Clay sticks onto papier-mâché without using glue or similar.

Paint the ears and the box using Plus Color craft paint.

**Another
variant**

Glue on the sequins around the horn and the ears.

Roll small balls from the remaining Foam Clay and attach them onto the middle of the sequins.

Draw eyes with a permanent marker.
