## A Hand Bag with a Seashell Design decorated with Textile Markers

This small bag has a pre-printed seashell design which is coloured in with textile markers. The bag is then decorated with sequins which are sewn on with needle and thread.

Colour in the seashell with textile markers. Here we have made a lovely transition effect by first colouring in with pink.

Now blend in with a purple textile marker to make a lovely transition between the colours.

Fix the bag with an iron so that the bag is washable.

Sew on sequins using a needle and thread.
