How to do it:

Wash or spray the salt and pepper set with rubbing alcohol for a clean surface. Remove the bottom plugs.

2

Draw the eyes first and then the rest of the owl using glass & porcelain markers. Leave to dry.

3

Fix in the oven at 160°C for approx. 90 minutes. Leave to cool down.

4

Insert the bottom plugs again.

A tip

The fat contents on the skin can vary. Therefore, please don't put lots of greasy finger marks onto the clean porcelain surface prior to decorating it.
