

## Decorative storage jars with beautiful designs

You can always use beautiful storage jars - and even better if the children have decorated them! Draw lovely simple designs onto the frosted glass using Posca markers and use the jar for various knick knacks or as candle holders.

### How to do it:

Clean the jar to remove dirt or greasy finger prints.

### 2

Draw a simple pattern or design with thin Posca markers. Leave to dry.

**A tip**

Don't soak or wash the decorated jar – just wipe it with a damp cloth.
