

Lovely potholders with silk paint

Make these lovely potholders with a light and airy look. The children draw lovely simple designs and decorate with silk paint in pale colours. A great and personal gift idea for someone special. This task is testing the children's imagination, fine motor skills and sense of colour.

Inspiration: 16198

How to do it:

Draw a design on the potholder with a textile marker.

2

Paint the design with silk paint. Dilute with plenty of water.

3

Fix the design with an iron following the instructions on the silk paint.

4

The potholders can now be washed at 30°C.

A tip

Work with max. 4 colours for a calm look.
Please note that the colours merge into each other when working wet-on-wet.
