

Decorated Pots for Herbs

These four pots are painted in different colours with Plus Color craft paint. Afterward the pots are painted 2-3 times with transparent blackboard paint for erasable chalk text as needed. Here, for example, with names of the herbs in the pots.

Inspiration: 13964

1.

Paint the pot with Plus Color craft paint. Leave to dry.

2.

Apply two or three coats of transparent blackboard paint. Leave to dry after each coat of paint. Follow the instructions written on the blackboard paint.

3.

Write text with chalk.
