The Paperbook contains 40 sheets of paper and 10 sheets of card. All the ideas below are made using paper from one single Design Paperbook. This still leaves quite a few sheets. You may want to blacken the edges to achieve an old look. You can make small, fine dots using a Paper Pen. Enjoy.

The templates for the classic woven hearts is available in two variants in the Paperbook. See idea No. 1335 for instructions of how to weave a heart.

3

Make a double cone by following the instructions in idea No. 11264.

4

The Vivi Gade folding box is made following the instructions in idea No. 1340.

5

Lovely to and from cards.

6

The decorations are assembled in pairs around a ribbon for hanging.

7

The folded envelope cards are folded from a single piece of paper. These are made by following the instruction in idea No. 11418.

9

The cards become extra special when decorated with ribbon.

10

The template for these lovely cones is included in the Paperbook.

11

The parts for the figures on these cards are cut following the templates in the Paperbook.
