

A Roccaille Seed Bead Necklace

Inspiration: 11087

1

Fill the Bead Caddy Spinner with beads.

2

Cut 120cm of beading wire - insert the wire into the end of the needle.

3

Spin the bead loader.

4

Insert the needle into the spinning beads in the opposite direction of the spin.

5

Thread beads onto a 60cm long beading wire. Make 2 strings in each colour.

6

Insert the bead strings through the spacer bar two and two. Thread 25cm of beads onto all beading wires.

7

Thread the bead strings through a bead tip, push the crimp bead up and squeeze. Insert bead tips into a round jump ring.

8

Connect the 2 round jump rings with 1 round jump ring.
