

A Book Mark with a stamped Design and a Tassel

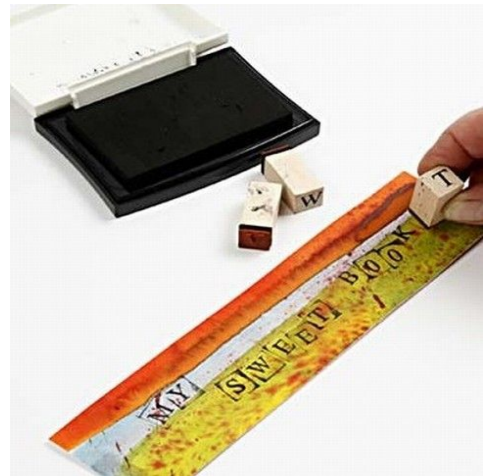

Book marks made with Aqua Pigment watercolour paint and water on watercolour paper. They are decorated with a black graphic design using rubber stamps and a black ink pad when dry. Finally, each book mark is covered with self-adhesive transparent sticky back plastic and decorated with cotton yarn tassels.

Inspiration: 11574

1.

Paint the watercolour paper with Aqua Pigment watercolour paint and water.

2.

When the watercolour paper is dry, stamp with rubber stamps and black ink from a black ink pad.

3.

Attach sticky back plastic onto the watercolour paper for protection.
