

Fabric Decoration

Shopping bags stamped with Textil Solid Fabric Paint using a flat foam brush. The handles on the shopping bag are cut so they can be tied and the shopping bag is now a cushion cover.[]

2

Tea Towels with Print

The tea towels are decorated with hand prints and stamped designs, made with TE stamps, flat foam brushes and foam stencils. The paints are from the Tekstil Color series.

Printed Oven Gloves

Oven gloves decorated with Textil Color. They are decorated with hand prints as well as dots made with foam stencil brushes.

Decorated Pot Holders

The pot holders are decorated with fabric markers and Textil Color in bright colours. Hand prints and stamp prints are applied using foam stencil brushes and stamps.

1

How to use foam stamps with a handle: For a uniform print; first dab the Textil Color onto the stamp with a foam stencil brush.

2

How to use Fabric Markers.

3

How to use flat foam brushes.

4

Make dots with foam stencil brushes.

Printed Key Straps

Make dots with Textil Color paint on foam stencil brushes. Then draw lines with Textile Markers.

11

Tip: Textil Solid Fabric Paint has a great covering power on dark textiles.

Fixing

The paint generally needs to be fixed with an iron. See the instructions and guidance on the packaging of the chosen paint or marker pen regarding temperature etc.
