

Collages on canvas

Glue napkins and country paper onto small canvases. Paint and stamp with Plus Color and glue on some wooden figures and ribbons. Hang separately or put them together to make a larger picture.

Inspiration: 11635

1

Picture 1 (top left): The canvas is painted with Plus Color beige. Cut out napkin designs. Apply a thin coat of VTR adhesive to the canvas and carefully brush on the motifs. Varnish three or four times. Picture 2 (top right): The canvas is covered with contrypapier using VTR adhesive. A smaller piece is glued on and framed using Zigzag ribbon. Varnish three or four times. Paint and patinate the wooden figure with Plus Color. Picture 3 (bottom left): The canvas is covered with contrypapier using VTR adhesive. Then patinate with a thin layer of Plus Color and print on a motif with Plus Color. Varnish three or four times. Picture 4
