

## A Christmas Sun with Weaving Paper Strips

This decoration is made from two weaving paper strips which have been cut slightly smaller, bent and glued onto a card circle.

Inspiration: 12040

**1**

Divide each of the two narrow weaving paper strips into four equal pieces.

**2**

Punch out two card circles using the Squeeze Punch.

**3**

Double over six of the weaving paper strips and glue them onto the card disc with Clear Marker as shown in the photo.

**4**

Glue a piece of silver thread onto the back of the card circle together with two or three feathers.

**5**

Glue a card circle on top.

**6**

Attach a wood sticker onto both sides and decorate the silver thread with a couple of mother-of-pearl beads.
