

## A Trivet with Collage

This trivet with a hollow inlay is painted with Plus Color craft paint. When dry, it is decorated with a collage made from torn or cut paper which is glued on. Finally, the glass plate is glued on.

**1**

Paint the trivet with Plus Color Craft paint.

**2**

Tear pieces of Colorbar paper and glue it onto the base of the trivet using a glue stick or special double-sided adhesive tape. You may add a drawing or photos to the collage.

### 3

Glue the trivet's glass plate in place with a glue gun or mounting glue. If you want to use the trivet as a picture, glue picture hangers onto the back.
