

## Cones with Decoupage

Cones in the Die-Cut series are decorated with tissue- and decoupage paper, attached with A-color Allround medium glue lacquer and A-Color Glitter. Handles made from pipe cleaners and faceted glass beads are attached at the end.

**Inspiration: 12028**

**1**

Glue on torn pieces of tissue paper and/or decoupage paper from the Vivi Gade using A-color Allround medium glue lacquer.

**2**

Attach faceted beads onto pipe cleaners and attach these as handles onto the cone using a stapler.
