

Natural Christmas Hearts

The papier-mâché hearts are brushed with A-color Allround medium glue lacquer and a bit of Art Metal gold paint. Leaves, cones, wood veneer shapes etc are placed on top in the glue and glitter sprinkle is added at the end.

Inspiration: 12017

1

Paint the papier-mâché heart with Art Metal gold paint.

2

Paint the wood veneer shapes.

3

Glue natural materials onto the heart using a generous amount of A-color Allround medium glue lacquer. Also dip the brush in some Art Metal gold paint and finally sprinkle with glitter.
