

Glass with Crackling

These lovely candle holders are painted with Decoupage Lacquer (matt). When dry they are painted with Croco Crackling Colour (crackle lacquer) which starts crackling shortly after application. The candle holders are decorated with paper raffia ribbon.

1.

Remove the handle of the candle holder. Paint the entire surface of the candle holder with Decoupage Lacquer (matt). Let it dry.

2.

Apply a generous layer of Croco Crackling Colour (crackle lacquer) with a spatula. Let it dry.

3.

Tie a piece of paper raffia ribbon around the candle holder for decoration and attach the handle.
