

Decorating with Art and Craft Foil

Transfer art and craft foil onto glass and card with a glue pen, double-sided adhesive tape or foil tape. Rub the art and craft foil onto double-sided tape and foil tape respectively and cut out a heart shape. The glue pen is used for circles.

1.

På glasset limes dobbeltklæbende tape. På kortet er udklippet et hjerte i dobbeltklæbende folie og pålimet. Med limpen er der tegnet cirkler.

2.

Attach double-sided adhesive tape onto the glass. A heart shape cut from double-sided foil tape is attached to the greeting card. A glue pen is used for making circles on the greeting card.

3.

Pull off the art and craft foil sheet – you can re-apply the art and craft foil onto areas where the it did not stick initially.
