

## Decorating Pre-Printed Canvases

These pre-printed canvases are painted with A-Color neon paint and the background is filled in with matt black A-Color paint. You may choose to highlight some of the pre-printed lines with a black Power Liner.

Inspiration: 12456

**1.**

Paint the entire canvas with A-Color neon paint.

**2.**

Outline the pre-printed designs with a black Power Liner.

**3.**

Paint the rest of the canvas with black Plus Color Craft Paint.

**4.**

Highlight details with a black Power Liner.
