

## Halloween Shape Cutters

These amusing hanging decorations are cut out from self-hardening clay using shape cutters. They are then painted with Plus Color Craft paint. You may use organza ribbon for hanging.

**Inspiration: 12742**

**1**

Use a rolling pin and roll the self-hardening clay flat.

**2**

Cut out the shapes with the shape cutters. Make a hole at the top for hanging using a stick. Leave to dry.

### 3

Paint the shapes with Plus Color Craft paint and attach a piece of organza ribbon through the hole at the top for hanging.
