

A Vivi Gade Design Cone

The cone is cut out from Vivi Gade Design Paper and card using the template. It is then decorated with self-adhesive rhinestone half-pearls, pegs and cut-outs from a sheet of Vivi Gade Design paper.

Inspiration: 12714

1

First cut a cone from red card. Then cut a much smaller cone from patterned card and glue this onto the first cone.

Assemble the parts with double-sided adhesive tape. Decorate the cone with cut-outs from Vivi Gade Design paper, a peg and self-adhesive rhinestone half-pearls (the cone and the card are cut using the template).
