

Wooden Discs with a Print

These wooden discs are decorated with Plus Color craft paint and Snow Effect which is applied using Viva Decor stamps.

Inspiration: 12644

1.

Dab Plus Color craft Paint onto the silicone stamp.

2.

Make a print on the wooden disc with the silicone stamp.

3.

Apply Snow Effect through the flexible stencil using a spatula.

4.

Insert a piece of flax twine through the hole at the top and thread wooden beads onto the flax twine.
