1.

Draw the template onto Vivi Gade Design Cotton Fabric and cut out.

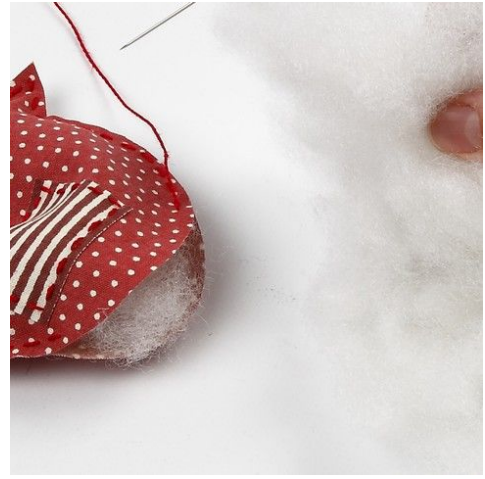

2.

Cut out a small square in a different colour or design and sew this onto the cut-out fabric bird.

3.

Put the two cut-out fabric bird pieces together and sew them together. Leave a small hole.

4.

Fill the bird with polyester stuffing and sew the hole together.

5.

Stitch a threaded needle through a button and then through the corner of the small square on the bird.

6.

And back up again through the button.

7.

Tie a knot on the piece of thread.

8.

Trim the ends.

9.

Push the fabric bird over the metal bar and glue in place.

10.

Tie a piece of natural hemp around the metal bar where the bird joins, and trim.
