

## Earrings with Glass Eye Beads

Glass beads are put onto a head pin which is then nipped off and the end twisted to form a loop. They are attached to a French earwire.

Inspiration: 12584

**1.**

Put the beads onto a head pin.

**2.**

Nip off the pin leaving approx. 1cm and twist to form a loop.

### 3.

Prior to closing the loop, attach the French earwire.
