

## A Plastic Mask with Foam Rubber and Neon Paint

This mask's facial features are highlighted with a black permanent marker. Then it is painted with A-Color acrylic neon paint and finally decorated with foam rubber hair.

Inspiration: 12871

**1.**

Add facial features to the mask using a black permanent marker.

**2.**

Paint the mask with A-Color Neon paint and let it dry.

### 3.

Cut out pieces of foam rubber and attach these to the mask using a glue gun.
