

## Elephants with Wood Veneer

These papier-mâché elephants are painted with Plus Color craft paint and wood veneer has been applied.

Inspiration: 12835

**1.**

Paint the elephant with black Plus Color craft paint.

**2.**

Draw the outline of the elephant onto a piece of double-sided adhesive foil and a piece of wood veneer and cut out.

**3.**

Attach the piece of foil and then the piece of wood veneer onto the elephant.
