

Card Mosaics on a Trivet with a Glass Plate

Attach card mosaics in different colours and shapes to a piece of Color Bar card using a glue stick. Insert the picture inside the wooden frame of the trivet and attach the glass plate on top using a glue gun.

Inspiration: 13233

1.

Paint the trivet's wooden frame in your chosen colour and let it dry. Use Plus Color Craft paint.

2.

Cut a piece of card in the same size as the size of the trivet's glass plate.

3.

Use your imagination and attach card mosaics onto the the piece of card using a glue stick. You may combine the pattern/design by outlining with a black marker pen.

4.

Glue the finished picture inside the trivet's wooden frame using a glue gun. Put a small blob of glue from a glue gun in each corner of the glass plate before placing it on top of the picture in the trivet's wooden frame.
