

## Lanterns with a Vivi Gade Design Fabric Waist Band

The two lanterns are both decorated with a glued-on waist band made from Vivi Gade Design fabric. Wooden buttons and decorative buttons from Vivi Gade Design are threaded onto a piece of floral wire and wound around each lantern.

**1.**

Cut a piece of Vivi Gade Design fabric measuring 26.5 7.5cm. Attach special double-sided adhesive tape along the edge of the long sides on the back of the fabric.

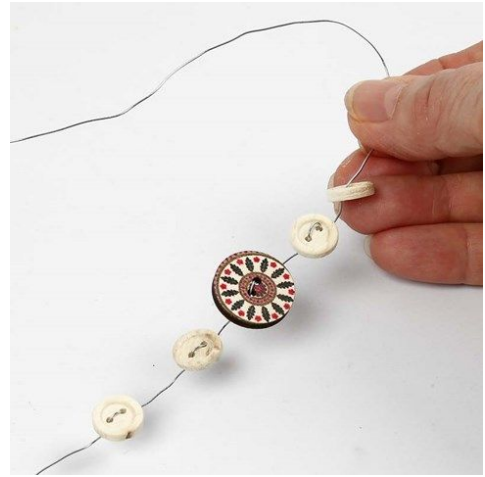

**2.**

Remove the paper protective layer of the special double-sided adhesive tape and fold the piece of fabric with the tape inwards.

**3.**

Attach a piece of special double-sided adhesive tape onto the back of fabric on the short ends. Remove the protective layer of paper and attach the fabric waist band around the lantern.

**4.**

Thread buttons onto a piece of floral wire, fitting the circumference of the lantern.

**5.**

Wind the floral wire tightly around the lantern. Cut off the excess ends and hide them underneath the nearest button.
