

## Terracotta Hooks with Letters

These terracotta hooks are decorated each with a letter, making a word when put together. The letters are cut out from and attached with double-sided foil tape decorated with napkin designs.

**Inspiration: 13058**

**1.**

Print out the letter template for this idea and cut out the letters.

**2.**

Remove the white layer of the napkin and place the top layer with the designs onto one side of the self-adhesive double-sided foil tape.

**3.**

Place the side with the napkin design face down. Copy the letter templates onto the foil tape and cut them out.

**4.**

Remove the protective foil from the cut-out letters and attach a letter to each of the terracotta hooks, spelling a word.

**5.**

Varnish the finished terracotta hooks and leave them to dry.
