

A flat wooden decorative Shape painted and decorated with Mosaics

The flat wooden decorative shape is painted with Plus Color craft paint. It is decorated with glued-on mirror mosaic tiles, mini mosaic tiles and self-adhesive wiggly eyes when dry. □

Inspiration: 13463

1.

Paint both sides of the wooden shape with Plus Color craft paint. Let it dry.

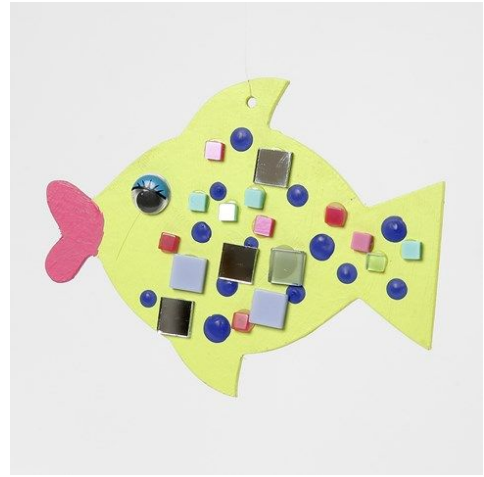

2.

Attach the self-adhesive wiggly eyes to the wooden shape.

3.

Use Clear Multi Glue Gel to attach the mirror mosaic tiles and the mini mosaic tiles. Use your imagination. Attach a piece of string through the hole at the top for hanging.
