1.

Invitation: Cut a piece of Kraft paper with text, slightly smaller than the greeting card. Attach this onto the front of the greeting card using double-sided adhesive tape.

2.

Print out the template, which is available as a separate PDF for this idea. Cut out and draw the outline of the medium-sized heart onto a piece of black Color Bar card, measuring 8 x 12cm. Cut out the heart using an art knife.

3.

Use double-sided tape for attaching the black piece of card with the cut-out heart onto the middle of the front of the greeting card.

4.

Cut a piece of satin ribbon with hearts, the same length as the greeting card and attach it onto the front of the greeting card (at one side) using small pieces of double-sided adhesive tape.

5.

Attach self-adhesive rhinestone half-pearls to your own design.

6.

Menu Card: Cut 10x15cm piece of the black Color Bar card (use grey back). Attach 8.5x13.5cm piece of design paper. Cut out heart in 12x7.2cm piece of black Color Bar card (template's large heart). Attach menu onto back of the card with the cut-out heart. Attach onto design paper.

7.

Decorate with a piece of satin ribbon with hearts. Attach the ribbon using double-sided adhesive tape and finally decorate with self-adhesive rhinestone half-pearls.

8.

A stand for the menu card: Cut two 6 x 3cm pieces of black card, and score both of them in the middle with a bone folder. Cut a small vertical groove, running across the score line. Now bend along the score line and the menu card can now stand by inserting it in the groove.

9.

Place card: Cut a 9x9cm piece of Color Bar card (use grey back). Score along middle. Cut a 8.5x4cm piece of design paper. Cut out smallest heart from black card (use template). Attach both onto front of grey card with tape. Attach name and decorate with rhinestone half-pearls.
