

A Glass Wasp Trap decorated with a painted floral Design

Each of the glass wasp traps displayed is decorated with colourful floral designs painted using A-Color Glass paint. When dry, a black glass and porcelain marker is used for drawing the outline of the petals.

Inspiration: 13714

1.

Paint the glass with A-Color Glass paint. Here we have chosen a flower design. Let it dry.

2.

Draw the outline of the petals with a black glass and porcelain marker.

Another variant

Glass painted flowers on candle holders.
