

A Glass Bird, Heart and Bauble with Silver Imitation Metal Leaf

The glass bird, heart and bauble are decorated with silver imitation metal leaf in a graphic design.

Inspiration: 13627

1.

Attach masking tape to the areas you do not wish to decorate. Apply Fix Glue to the areas you wish to decorate with silver imitation metal leaf and let it dry for a couple of minutes.

2.

Brush the porous silver imitation metal leaf onto the glass. Press with your fingers and let it dry. Glue a tail feather onto the glass bird.
